(the "Participant"), in consideration of the Fun Store (RHM Enterprise Systems Inc.), Waterboyz Inc., NBACOC or Fun Fest (collectively, the "Hosts") furnishing the skateboard competition and demonstration including all facilities, equipment, and apparatus located therein, (collectively the "Park") and in consideration of the Hosts allowing the Participant to utilize and participate in activities in the Park, does hereby agree to the following terms, conditions, obligations, and limitations:

**Permission to Use Skateboard Park.** I hereby grant permission for the Participant to use the Park and to participate in all activities, recreation, sports, and other endeavors that may occur in the Park including but not limited to skateboarding and in-line skating (collectively the "Intended Uses").

**Acknowledgment and Assumption of Risk.** I have inspected the Park site and acknowledge that (1) there are no dangerous conditions within or about the Park which the Participant does not and cannot reasonable be expected to have notice; (2) the Park is in good and anticipated condition for the Intended Uses.

I further acknowledge that participation in and/or observation of the Intended Uses within the Park (1) is dangerous and (2) that the Participant may suffer serious personal injury or death by such participation and/or observation. Understanding these risks I nevertheless freely and voluntarily consent to the Participant participating in and/or observing use of the Park and the Intended Uses. My consent is given with the understanding that the Park will be unsupervised in all respects and that no training or guidance with respect to the Intended Uses will be provided to the Participant. I do hereby assume, for myself and on behalf of the Participant, the known and unknown inherent risks to Participant for participating in and/or observing the Intended Uses, irrespective of the Participant's age, and I agree to be legally responsible for all damages, injury, or death to the Participant or other persons or property which results from such activities.

I further acknowledge that neither the Hosts nor any other governmental entity which sponsors, allows, or permits the Intended Uses in or about the Park shall be required to eliminate, alter, or control the inherent risks in those activities

I further acknowledge that the Participant (1) is physically able to participate in the Intended Uses; (2) does not have any medical, physical, or emotional conditions, limitations, handicaps, or disabilities as to which it would be inappropriate or create any undue danger for Participant to participate in and/or observe the Intended Uses; and (3) is sufficiently skilled, trained, and experienced in the Intended Uses such that Participant's participation in the Intended Uses within or about the Park will not pose an undue danger or risk to Participant or others who may utilize the Park.

**Release and Indemnification.** On behalf of both myself and the Participant, to the maximum extent allowed by law, I do hereby agree to completely release and forever discharge the Hosts, and any and all of its employees, officers, officials, agents, and representatives, from any and all past, present or future claims, demands, obligations, actions, causes of action, rights, damages, costs; losses, liabilities, expenses, and compensation of every conceivable kind, character and nature whatsoever, whether based on tort, contract, or other theory of recovery, which I and/or Participant may now have or hereafter acquire directly or indirectly arising out of, resulting from or in any manner whatsoever related to or connected with the ownership, maintenance, use and/or operation of the Park including but not limited to (1) Participant's participation in and/or observation of activities in or about the Park; and (2) conditions, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, installation, or construction of the Park or any part thereof.

On behalf of both myself and the Participant, to the maximum extent allowed by law, I do hereby agree to hold harmless, indemnify, and defend the Hosts, and any and all of its employees, officers, officials, agents, and representatives, from and against any and all claims, demands, obligations, actions, causes of action, rights, damages, costs, losses, liabilities, expenses, and compensation of every conceivable kind, character and nature whatsoever, whether based upon tort, contract, or other theory of recovery, directly or indirectly arising out of, resulting from or in any manner whatsoever related to or connected with Participant's use of the Park and/or indemnification, I also agree to pay on behalf of the Hosts (including any and all of its employees, officers, officials, agents, and representatives), as well as provide a legal defense for the Hosts (including any and all of its employees, officers, officials, agents and representatives), both of which will be done when requested by the Hosts, for all such claims made. Such payments on behalf of the Hosts shall be in addition to any and all other legal remedies available to the Hosts and shall not be considered to be the Hosts' exclusive remedy. The terms and conditions in this paragraph shall apply notwithstanding any active or passive negligence of the Hosts that causes or contributes to any such claims against the Hosts.

**Rules and Regulations.** While engaging in the Intended Uses, irrespective of where such activities occurred, the participant is required to do all of the following: (1) acting within the limits of his or her ability and the purpose and design of the equipment used; (2) maintaining control of his or her person and the equipment used; and (3) refraining from acting in a manner which may cause or contribute to death or injury of himself or herself, or other persons. When participating in and/or observing activities within or about the Park, the Participant shall strictly adhere to all rules and regulations relating to the Park and the Intended Uses adopted by the Hosts, receipt of a copy of which is acknowledged by execution hereof, including all amendments to such rules and regulations. At all time while the Participant is within the Park, the Participant must wear a helmet that is properly fitted and is fastened securely upon the Participant's head by a strap, and the helmet must meet the standards of the American National Standards Institute (ANSI Z 90.4 Bicycle Helmet Standards), the standards of the Snell Memorial Foundation (1984 Standard for Protective Headgear for Use in Bicycling), or other nationally recognized standards for skateboarding helmets.
